General Information for Junior Weeks

Services: You have much to look forward to! Enjoy helpful gospel services each evening. Illustrated messages in the rodeo arena are a real help in understanding Bible truths. Sing in the large Junior choir. Join in exciting Bible quizzing.

Activities: The well-supervised activities consist of swimming in the large Ranch pool, trail rides, hikes, putt-putt golf, American Heritage, exciting games, pentathlon (5 events), Funspiration, and a western rodeo in which you can participate. All this, plus much more!

Reservations: In order to reserve a place on the Ranch, simply go to our website to register online.

Early reservations assure you a place at camp. Registration fees cannot be refunded or applied to camp fees, but they are transferable to other campers as registration fees.

Arrival: Plan to be on the Ranch for the first meal and first service. A good beginning is important to the success of the entire camp week. Each summer camp week begins Monday afternoon with check-in from 2-6 PM. The first meal is served at 6:15 PM; the first service is at 7:30 PM. The camp week ends after the last service Friday night. Plan to leave by 8 AM Saturday morning.
